Create a Loggerhead Turtle!

What you need:
Round paper plate
Colouring pens
Scissors
Tape or glue

Step 1
Colour in the turtle parts and design a shell on a paper plate, this could include a message or a colourful design!

Step 2
Cut out the turtles flippers and head (ask an adult for help if you need to)

Step 3
Stick the flippers and head to the paper plate with tape or glue

Step 4
Email a photo of your Loggerhead Turtle to education@paulwatsonfoundation.uk Don't forget to include your name and age so we can share your work on our social media!

Did you know?

Leatherback turtles can be seen in the UK in Summer and Autumn
